SLT 100's Series Build – Thank You to our Customers

KEEPING US ALL BONDED IN COIL PROCESSING

T.H.E. MACHINES – Switzerland expresses their **Sincerest Thanks** to its **Valued Customers**.

Despite the current challenges with the global COVID 19 pandemic, T.H.E. MACHINES is really proud to announce the next completion of series build of **4 x SLT 100 Laser Cross Welding** machines, for of bonding / butt welding alloy tapes.

This exceedingly **compact** and very **versatile** cross welder has gained great acclaim with many global customers which resulted in repeat orders being placed, even in these most difficult times.

T.H.E. MACHINES thanks all its customers for making this happen.
